

CELEBRATION BOOK CLUB!

The Celebration Book Club is a fun way to enrich our school library, while recognizing your child’s special occasion, milestone or accomplishment, big or small. (For example: a birthday, 5th grade graduation, student of the month, teacher’s birthday, etc.) Your selected book will include a personalized nameplate with your child’s name and special event. Our principal, Mrs. Aguilera, will present the book to your child at the Wednesday morning assembly. A photo will be taken of your child and placed on our Celebration Book Club wall in the library. Your child will be the first to check out their donated book before it is placed on the library shelf for general circulation. To place an order, come visit our school library where you can check out the Celebration books on display. Once you have chosen your book, please complete this order form and place it along with your payment inside the book. There will be a red bin to place the order requests in.

If you have any questions, please contact our library technicians and the front office staff are there to assist you as well.

BOOK ORDERS MUST BE PLACED 7 DAYS PRIOR TO DATE OF PRESENTATION!
