Your PTSA Membership helps fund school wide programs at Hankey such as *K-8 Art Masters, Student, Teacher & Family Programs, School Safety and Improvements!* Membership numbers directly affect our representation and influence at the district and state level, so if you believe in parents advocating for our children, please join. Anyone can be a member of Hankey's PTSA, including students, family members, friends and neighbors! Invite people to join to help with your child's education.
